IMAGE: Evolution of A College Graduate

How did you evolve as a student from freshman year of HS to Senior? (Even allowing for Senior Slide)

Biggest difference

Have to be proactive: tons of resources available—but you have to reach out

IMAGE: Report Card (Dave's story)

What went wrong?? Why did he do so badly??

Didn't go to class

Wasting time/ wrong priorities (IMAGE)

Video games

Social media

Parties

Under-estimated college

Work load

Difficulty of courses

Not being prepared for class/ not doing homework & reading before class

Bad time management

Bad schedule choices

How did he turn it around? Strategies for improvement

Be proactive/ advocate for yourself

Go to class

Study strategies

Per image (wrong/right way to study)

Note taking (by hand vs laptop)

SI Sessions

Study groups

Set the right priorities/ time management

Per image (studying in high school vs college/ out of class)

Smart scheduling
